

Rental Conditions

All video works from IASmedia's distribution list are available for rental. Please order by email, fax, and telephone. Works are available for rental mainly on DVD. For VHS, mini DV and all PAL formats we charge additional production costs, determined by the length of the work; please contact us for an estimate of the costs. Rentals must have a scheduled screening date. For screenings outside of Korea, orders have to be placed at least 3 weeks before the screening date. For last minute orders we cannot guarantee DVDs or tapes are available. All customers must sign agree to the IASmedia Copyright Agreement to obtain the temporary screening rights to the works.

1) Rates for Theater Screening or Short Screening Program

one screening € 50 euro per title
subsequent screening € 10 euro per title
Educational screenings : 50% discharge
Last Minute orders 50% surcharge

2) Rate for Exhibition Screening

1 day looptape : € 60 / per title
subsequent days : € 15 / per title

3) For longer periods we offer the following discount:

10 - 25 days 30%
26 - 40 days 45%
longer periods 55%

4) Purchase of Copy for Libraries

All video works in the IASmedia collection and distribution are available for purchase on DVD, VHS(NTSC) for educational purposes. It is only for internal use in libraries and archives, therefore it won't be allowed for public screening. The price is € 120,- including production costs. Production costs will be different up to the length of the work. Please contact us for an estimate of the costs and for more information.

5) Overseas Shipping/handling

International shipping rates are determined by weight and the shipping service used. Packages being shipped by courier service are priced according to their current rates. International shipping arrangements must be determined upon confirmation of your order. You are responsible for all additional shipping costs, such as air-freight and customs charges for international orders, and rush-shipping charges for late orders.
